

Walnut Creek School District

A Community with Purpose

2017-2020

District Vision

Engage, Inspire, and Empower ALL Learners!

Mission

To inspire a community of learners empowered to positively engage with the world through discovery, innovation, creativity, leadership and character.

Beliefs

We, in the Walnut Creek School District community, believe:

- All students and staff have the right to a safe and respectful learning environment that cultivates positive connections
- In providing learning environments that support students' diverse academic, social and emotional needs
- Valuing diversity is essential to broaden understanding and deepen learning
- A rigorous, collaborative education inspires courage, curiosity, perseverance and a passion for learning
- In providing facilities to foster innovation and creativity
- Quality student-centered education is a shared responsibility

District Strategies of Focus

Teaching & Learning

Goal: To inspire, engage, and empower learners with our learning process, culture, and curriculum.

21st Century Environments

Goal: To create diverse student centered spaces where stakeholders are welcomed in an accessible and flexible teaching and learning environment.

Stakeholder Engagement

Goal: To thoughtfully develop inclusive engagement strategies tailored to the unique needs of all stakeholders in our community.
