### **2019-2020 School Year**

Dear Parents and Guardians:

We are required to provide annual notification to parents and/or guardians of certain rights and obligations established by Federal and State laws. This document may appear long; however, I urge you to become familiar with the major topics included in our packet and to retain the information for future reference.

The law requires that you sign the acknowledgement page (last page) of the Annual Notice to Parents and return it to your child's school. Your signature is only an acknowledgement of your receipt of this notification. It does not signify your consent to any of the activities or your withholding of consent.

**Please retain this page for your reference and return  
the attached signature page during Welcome Back Days.**

Sincerely,

Marie Morgan  
Superintendent
